Advice for the New Year

1. **Ask for the sale.** There's always something new to share with brand-new scratch-off and EZPLAY® games starting on a regular basis.
2. **Keep your Lottery display and play area neat and current.** Make it fun and decorate for the season.
3. **Promote Lottery jackpots.** Use Ohio Lottery jackpot signs to promote our current jackpots. Don't forget our EZPLAY® progressive jackpot games!
4. **Carry our top scratch-offs.** Top performing scratch-offs account for about 80% of all scratch-off game sales. See page 11 for recent top performers.
5. **Keep your bins full!**
6. **Use a plan-o-gram to keep your display well organized.** See your sales representative for assistance.
7. **Cash winning tickets.** Retailers who take the time to cash winning tickets tend to be our top performers. Customers seek out retailers who make cashing convenient. Be clear on your ticket cashing policy.
8. **Redeem Ohio Lottery promotional offers.** That includes Lottery Cash, Lottery Coupons and our scratch-off coupon offers. Who doesn't like a deal?
9. **Activate one book of each new scratch-off by the Friday of delivery week.** You could be leaving money on the table, including your Retailer Incentive Plan bonus! Customers seek out retailers carrying the latest scratch-offs.
10. **Share news about the big winners sold at your store.** Customers are excited to hear about winners in your store and around your community. Display your recent big winners!

Schedule a sales performance review.

Your sales representative can provide you with sales benchmark data to compare your performance to other retailers in your community and your business type. Use these insights to set goals for the upcoming year.

Take a few minutes to meet with your sales representative during their scheduled visit. Touch base on current promotions and other Lottery activities. They're here to support you.

Updates

Lottery operations update

More than \$278 million in prizes are available in the first scratch-off release of the New Year, coming January 7. They include \$1, \$2 \$5, \$10 and \$50 games.

Start the New Year off right. Make the most of your scratch-off sales by activating and offering for sale at least one book of each new scratch-off sent this month.

Scratch-off numbering for all new games complete. All new scratch-offs now have a four-digit game number and seven-digit book number. You will also notice a new QR code on the back all scratch-offs with price points of \$2 and up. The QR code takes customers to the Ohio Lottery app.

Retailer 1099 tax forms scheduled for release later this month. Please be on the lookout for your 1099 for 2024, which will be sent in the mail. The tax form will also be available for download later this month in the retailer financial portal. See page 10 for more.

Fiscal Year 2024: Snapshot of a record year

Sales of traditional lottery games topped \$4.54 million in Fiscal Year 2024 due to the incredible work of more than 10,000 retailers – a network of licensed independent and chain stores -- serving customers across the state. Retailers earned \$299 million in commissions and bonuses, including \$15.8 million for meeting Retailer Incentive Program requirements and sales targets.

The Ohio Lottery sent \$1.51 billion to the Lottery Profits Education Fund, nearly \$50 million more than the prior year. We offer great thanks to you, our retailers, for your dedication and to our customers for their enthusiasm and support. Incredibly, as the New Year begins, we're already halfway through Fiscal Year 2025.

Retailer Spotlight Village Tobacco, Andover

By Vivica Williams, Communications

For **Sue Nick**, working at Village Tobacco in the heart of Andover, has been a rewarding experience. "I think the store is huge for the community...there's not a lot out here, you know?" she says. "You definitely have the community support."

She's worked as a manager at Village Tobacco for the past eight years and says the store has come a long way from when it first opened more than 10 years ago. The store operated rolling machines to make cigarette products when it got its start. Sue says the business has evolved since then.

Today, Village Tobacco is a hotspot for both locals and travelers. Andover welcomes visitors to the many campgrounds around the area. They come from Pittsburgh, Cleveland and more.

"We do get the campers in the summertime and yeah, they're big lottery players," she says. "They always come in before they leave and tell us 'See you in the spring.'"

Sue said the store offers a wide variety of Ohio Lottery products. Recently someone won \$150,000 in the Sept. 23 *Powerball* drawing. "I think that's been one of our biggest ones," she says.

The store has a dedicated lottery area, with two tables used mainly by customers who enjoy scratch-offs.

In the years to come, Sue said she looks forward to interacting with her regular customers, building relationships with new customers and working with her co-workers.

Village Tobacco has two locations. One in Andover and the other in Orwell.
