# A message from the Director

There's lots of excitement brewing with promotions and a refresh of the popular *Mega Millions* game just around the corner. Jump on board for a wonderful spring season ahead!

## Exciting time for Mega Millions

Starting Saturday, April 5, *Mega Millions* will be offering better prizes and bigger jackpots when *Mega Millions* 5/70 plus 1/24 goes on sale. Final preparations for a successful transition from the current matrix to the new game are going on now. Please turn to pages 3, 6 and 7 for details on what to expect, including vending system updates, bet card use and marketing materials to build a successful game launch.

Please take a few minutes to thank your sales representative for a job well done. Their role is critical, offering direct on-the-ground support to you and providing timely feedback to all of us. We owe them our thanks for helping to keep your business running smoothly and for the extra steps being taken to support *Mega Millions*.

## Spring promotions

For our fans of *Keno*, the KENO Bracket Challenge begins March 17. The brand-new promotion offers a bit of excitement and a little extra chance to win during college tournament basketball season. Please see page 7 to learn more. We hope you enjoy it!

Another customer favorite – *Cash Explosion* and the famously popular *Cash Explosion* show -- have an exciting promotion in process running through May 29. It's called the Half a Million Dollar Spring Cleaning Promotion. Holders of *Cash Explosion* "entry" tickets can lock into the promotion for cash prizes, a chance to be a contestant on the weekly TV show or our special *Cash Explosion Live* show, scheduled for taping June 14 at the Covelli Center in Youngstown.

Maybe it's time to look into a Lottery makeover, some general spring cleaning or an in-store Lottery promotion. Talk with your sales representative for ideas and ways we can help.

## Supporting our communities

The phrase "pause before you play" is great advice for customers and anyone who enjoys gaming of any type as a form of entertainment. We live in a fast-paced world and stopping to think about how we spend our money and time can be beneficial. The statewide "Pause Before You Play" campaign provides an important message. Turn to page 3 to access resources that can help make a difference and challenge perceptions. We want Lottery game play to be happy and healthy. Our communities deserve that.

Thank you for all you're doing to keep the Ohio Lottery fun and an all-around good experience for customers. Have a great start to spring!

Sincerely,

Michelle B. Gillcrist J.D.

Yes, matchness! We have a fun matching game on our March Matchness microsite that you can visit and play for an entry into a drawing.

The entry period is March 31 through April 4. There is one entry per person, but you can visit the site to play as many times as you want.

A link to the site will be posted on all of our social media channels.
