For the purposes of this rule, "sales cycle" shall mean any such period, including reprints, beginning on the date when ticket sales are commenced and continuing through the date established by the director as the date on which sales agents are to make their final settlement with respect to tickets allocated to them during the period in game rule number nine hundred sixty-seven.

(B) General design.

(1) Game rule number nine hundred sixty-seven is a key number match game generally known as an "Instant Lottery."

(2) A ticket for game rule number nine hundred sixty-seven is terminal generated and will consist of one "Game Play Area" with a "Living Lucky Numbers" section and a "Your Numbers" section. The "Your Numbers" section contains sixteen double digit numbers ranging from "01" through "50." If the holder matches any one of "Your Numbers" to any one of the "Living Lucky Numbers" the holder wins the corresponding prize amount below that corresponding "Coin" symbol. If the holder reveals a "Coin" with a "\$" symbol, the holder wins the corresponding prize amount found below that "Coin" symbol automatically. There are twelve chances to win on each ticket, and a player can win up to twelve times.
