July 24 through Aug. 4

Statue search

The Ohio Lottery will have **five statues located throughout the fairgrounds**, with each statue representing who we are and who we want to be.

Find each statue and learn more about us.

During the run of the fair, each scan of a statue will provide attendees with an entry into a drawing, scheduled to take place after the close of the fair.

August 3 Statue Promotion

On this day, we're encouraging fair attendees to find each of the five statues and scan the QR code on each. Once complete, fair visitors who bring their phone back to the Ohio Lottery booth before 3:15 p.m., showing they've completed the task, will receive an entry into a live drawing for scratch-offs, gift cards and a selection of great Ohio State Fair prizes. Memories in the making!
