## A message from the Director

A strong holiday season has put the Ohio Lottery in a good position as we prepare for spring.

Benefiting from your hard work, and the support of our sales representatives and entire team, we set several records over the holidays. Sales in December 2024 were \$432.3 million. It's both our best December and best sales month ever. In addition, strong scratch-off sales and the excitement of a *Mega Millions* jackpot that grew to \$1.26 billion allowed us to end the year on a high note.

Now we look ahead. A "new" *Mega Millions* game with a new matrix is scheduled to start in April. Please see pages 8-9 for information on the exciting changes planned and a comparison to the current game. We include practical information, which we encourage you to share with your employees and customers. Look for more information as logistics and timelines are set in the coming weeks.

*Keno* fans will enjoy the special treat we have planned for them the week of the Big Game. Check out the details on *Keno Double Booster*, starting February 9, on page 7.

Finally, get ready for the *MONOPOLY™ Bonus Spectacular* family of games, set for delivery on Tuesday, February 18. It's a classic! The variety of price points, and attraction of the much-loved board game from which these games are based, have historically made this a popular choice for customers.

If you haven't yet scheduled a performance review with your sales representative, it's not too late. Take a little time to meet and discuss your performance, plans and progress. Set yourself up for success in the year ahead.

We hope you find the information we provide here and on our website's *Ticket Seller* News page helpful. Please reach back to your sales representative with suggestions on how we as a team can continue to support you. We're proud of our partnerships all around Ohio!

Sincerely,

Michelle B. Gillcrist J.D.

## Advice for a good year.

An element of a good lottery business is having an attractive, easy to navigate play area. Sales representative **Tony Krebs** shared this picture of the Lottery play area at Mike's Convenient Food Mart in Cleveland Heights. The store has been a top-selling retailer for years and currently ranks as one of Ohio's Top 20 Lottery retailers. Mike's Convenient Food Mart offers a clean and organized area for customers to relax, prepare their wagers, purchase tickets from nearby vending machines and play a few games. "They treat their customers great," says Tony. Left to right: employee **Sam Patel** and manager **Harshil Patel**.

**Save Time and Get Money Back Fast:**

## How to Submit a Retailer Adjustment Request Online

By **Vivica Williams**, Communications

**Retailers!** Are you looking to save time and get your money back fast when dealing with terminal malfunctions or ticket problems?

Consider submitting an online adjustment request, which you can access from the **Retailer Resources page on the Ohio Lottery website**. Take advantage of the online form to receive adjustment payments significantly faster than using a paper form.

You also have the option to print out the form and mail it to the Ohio Lottery.

Scan the QR Code to find the required form and supporting information.

**Follow these guidelines when seeking an adjustment:**

1. Report terminal malfunctions or ticket problems to the Ohio Lottery's Customer Call Center on the day of the occurrence.
  - **Customer Call Center:** 1-800-686-4208  
*For direct access to the Call Center, please call 216-774-0340*
  - **Intralot Call Center:** 1-866-710-2462
2. Fill out the form and include all required fields. The date, time and nature of the problem must be explained in detail.
3. Ensure all tickets, ticket jams, promotional tickets, and service report copies are attached to the request.
4. Reprints are required in the case of missing tickets and ticket jams.
5. Adjustment requests must be received within one business day of occurrence.

Submitting online is faster, more efficient, and designed to save you time. Take advantage of this convenient option and keep your business running smoothly!

**Requests will be automatically denied for the following:**

- Operator error
- Running out of paper
- Paper put in backwards (always do print test)
- Tickets not cancelled before pool closing
- Not taking reprints when terminal and printer malfunctions occur (reprints must be made immediately after paper jam has been cleared)
- Saleable tickets
- Failure to adhere to adjustment criteria or Mega Millions' no-cancellation policy

**Keep in mind that Mega Millions, Powerball and Lucky for Life tickets cannot be cancelled.**

# Preparing for the new Mega Millions matrix

## Multi-Draw wind down

Customers can play up to 10 *Mega Millions* drawings in a row (starting with the upcoming drawing), also known as multi-draw wagering.

Players who take advantage of *Mega Millions*' multi-draw feature, especially those using bet cards to organize their favorite numbers, will notice some changes after the pools close for the March 4 drawing.

**Tuesday, March 4** is the last day a customer can place wagers for up to 10 *Mega Millions* drawings. **Please see the calendar below. After that date, we will be winding down the number of multi-draws a player can make.**

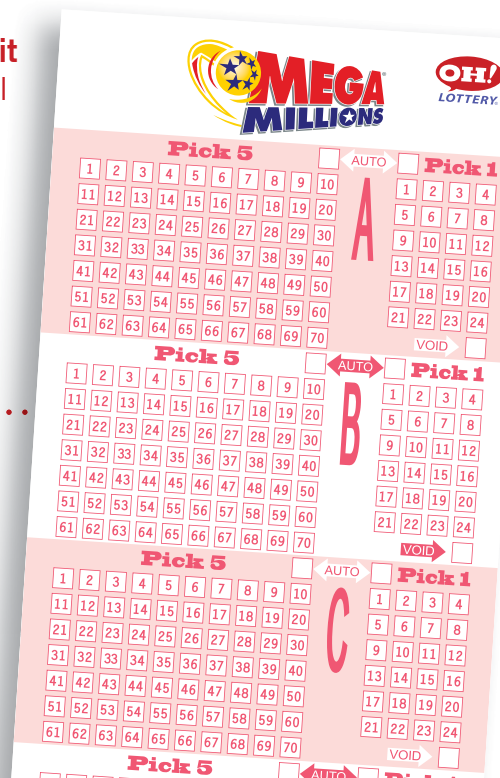

Once the new *Mega Millions* game (5/70 & 1/24) goes on sale, full multi-draw options will resume. After the pools close April 4, players can resume multi-draw wagering.

### New bet cards coming

Players who use bet cards will need to fill out new bet cards for use with \$5 *Mega Millions*.

Use "Play it Again"? Fill out a bet card with the new matrix to get your numbers set.
